Agreed. I'm told Windsor action is planned for tomorrow.

I do believe Ontario's announcement today will help

Windsor was supposed to be today. This can't go on. And we need to show some federal leadership, too. C

POTUS was quite constructive. There was no lecturing. Biden immediately agreed this is a shared problem. He started talking about rumoured convoys against the Super Bowl and DC. PM spent a fair bit of time telling the President about the US influence on this. Money, people, and political/media support.
